Summer Reading Program Invitation

June 22, 2017

Dear Parents:

In our continued efforts to support the students of Hudson Road Elementary School in the areas of reading success, we will be offering a **Summer Reading Program**.

This program is designed to motivate and support your child to continue along the road to becoming a better reader and to prevent summer reading loss. We hope that this will give your child an advantage in September. Mrs. Peters-Jackson, our Teacher-Librarian, will oversee the program.

The success of this program is based on student and parent participation. The goal is for each student to complete a July and August Reading Log. This requires your child to read between 15 and 30 minutes each day and record this information on the Reading Log. Parents need to sign the Reading Log to verify that it has been completed.

Each child will start the summer with a bag of 6 library books and a July Reading Log to fill in. A summer book exchange will be available on **Wednesday, August 2nd and Thursday, August 3rd from 3:00 pm to 6:00 pm** in our school library. Students will then have the opportunity to return their July summer books and their completed July Reading Log. Students may then choose a prize for all of their reading in July, choose books for August and take home an August Reading Log. Students will return their completed August Reading Log in September.

We are very excited to offer your child the opportunity to continue their reading journey during the summer months. If you have any questions about the program, please contact Mrs. Peters-Jackson at the school.

Yours in learning,

Mrs. Peters-Jackson
Teacher-Librarian

Mr. Holland
Principal
