We hope everyone had a restful and relaxing winter break. We are very excited to see our students back at school on Monday, January 10th. Staff were busy at school last week implementing enhanced safety measures in preparation for our return to classes.

Parents are reminded to please send your child to school with a clean face mask and reinforce the importance of wearing it. Also, please ensure your child has a water bottle to use at school as water fountains will not be available.

If you drive your children to school, please drop them off as close to 8:30 as possible. Students must remain outside until classes begin. Parents are asked to remain in your vehicles and have your children exit on the right hand side, directly onto the sidewalk.

Online registration for new students opens on January 31, 2022: [Registration Link](#)

Staff, students and visitors to our school are required to perform a daily health check. Please keep your children at home if they are not feeling well. If they become ill at school, we will contact you to pick them up. [Daily Health Check](#)
