Getting Your Child Ready

- Give your child little duties at home to help develop self-confidence and responsibility
- Read to your child and talk about the story
- Practice independent bathroom routines and proper hand-washing
- Teach your child to put on, take off and hang up his/her clothing
- Teach your child how to tie shoelaces (or send them to school with “velcro” shoes)
- Turn off the TV and talk, talk, talk! Encourage development of a larger vocabulary through conversations with your child.
- Encourage your child to recognize and learn to print his/her own name

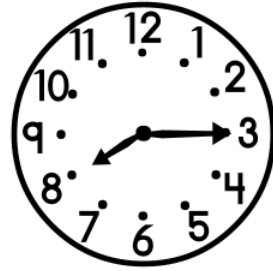

Getting Your Child Ready

- Help your child to learn to wait his/her turn
- Encourage your child to:
 - Look at a person when that person is speaking
 - Use good manners (please/thank you go a long way!)
 - Tidy up after themselves
 - Use words to explain how he/she is feeling
- Visit the Public Library regularly – it's free!

Arrive at
school a little
bit early...

so your child has
a chance to play
outside with
friends before
class starts.

Read notices and emails
that are sent home from
school.

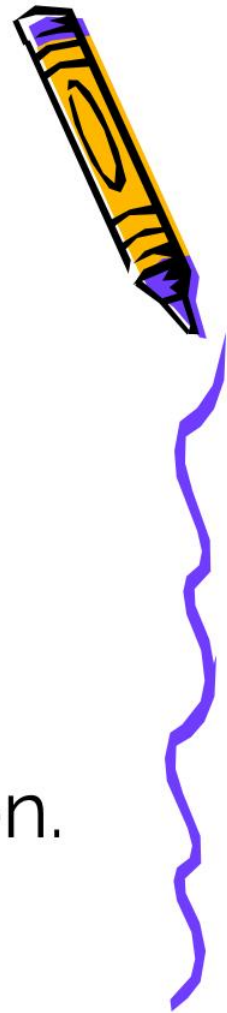

Help your child's teacher to know about things that happen at home that might affect your child's day (especially changes in your family situation)

Keep the office updated about changes to phone numbers, address, caregiver information.

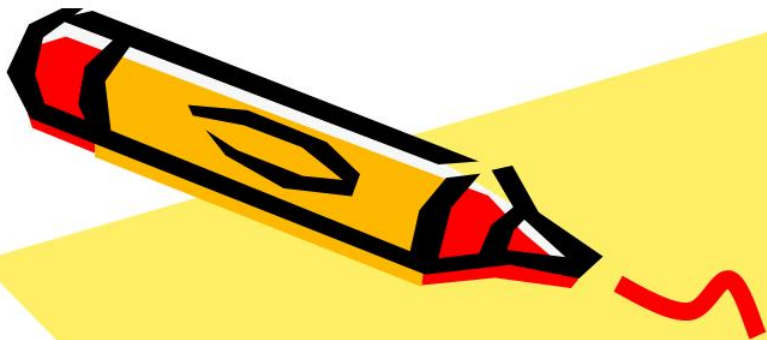

... and Parents!

You are your child's first and most important teacher!

Parent involvement = Student success!

All parents form the Parent Advisory Council (PAC) – evening meetings each month. This year it was the third Thursday of each month.

We look forward to learning
with you and your child!

Kindergarten! ... here I come!
