We hosted our Remembrance Day Assembly on Thursday, November 10th, to honor our veterans and remember those who lost their lives fighting for our freedom.

Remembrance Day Assembly

Metis Week this year will be celebrated from November 14 to 19, 2022.

What is Métis Week?

Louis Riel devoted and sacrificed his life defending the rights of Métis people. Riel's legacy continues to resonate across the homeland.

Each year, on November 16, Métis people across Canada pay tribute to the Right Honorable Louis Riel by holding a commemorative ceremony on the date of his execution. This ceremony symbolizes the commitment Métis people share in striving for and promoting the visions of Louis Riel and is one of the most important dates on the Métis calendar.

The Métis continue to strive toward rights and recognition.

Winter Fest brings FREE Family fun on November 26th

Both inside and outside Parkinson Recreation Centre

With a common goal of bringing families together in a festive, healthy and active way, the Landmark District, City of Kelowna, BGC Okanagan, and YMCA of Southern Interior have partnered to host the inaugural annual Family Winter Fest. This free-to-all event, being held Saturday, November 26 inside and outside of Parkinson Recreation Centre, will provide children and families with fun, interactive and inclusive holiday activities and entertainment.

In celebration of the 25th anniversary of the Stober Foundation's Tree of Hope light-up, the Landmark District is thrilled to help make this free family event possible the day following the iconic lighting of the tree.

"We are proud to be the presenting sponsor and to partner with the City of Kelowna and two local charities to bring this festive family event to our community, says Louise Pelletier, Director of Property Management for the Stober Group. "We recognize the positive impact these organizations make in developing active, healthy families in our community. We, along with the Stober Foundation, are passionate about working with those who share our values, help improve quality of life for others and build a foundation of a healthy and hopeful community."

Family Winter Fest will take place from 12-4pm on Saturday, November 26th and along with other local organizations and holiday crafters, will provide activities, games, entertainment, photos with Santa, food trucks, and so much more. Activities will take place both inside and outside Parkinson Recreation Centre, plus free access to the pool and fitness centre.

"Families will enjoy an action-packed afternoon made possible by activity station partners, sponsors and volunteers who are all pouring their energy into a great holiday event," says the Organizing Committee. "Be sure to dress your children for both outdoor and indoor winter games and don't forget their swimsuits for the pool and big smiles for their photo's with Mr. Claus."
